

Sustainability Policy

This UGI Corporation Sustainability Policy (the “Sustainability Policy”) applies to UGI Corporation and its subsidiaries (collectively, “UGI” or the “Company”) and is designed to ensure that UGI contributes to sustainable economic, social, and environmental development. The objectives of this Sustainability Policy are aligned with the Company’s Environmental, Social and Corporate Governance (“ESG”) Program and Code of Business Conduct and Ethics and guide our efforts to manage the activities of the Company in accordance with a sustainable business model. Management shall report to the Corporate Governance Committee of the Company’s Board of Directors, which oversees the Company’s overall ESG program, with respect to the matters set forth below.

UGI’s values include safety, integrity, respect, responsibility, reliability and excellence. Our values guide our strategy and ensure that UGI contributes to sustainable economic, social, and environmental development. UGI is mindful that sustainability is a challenge that must be addressed today and thus is dedicated to a business model that supports lower methane and other greenhouse gas emissions, greater efficiency, use of alternative energy sources, affordable energy solutions for our customers, engagement in local communities, and customer health and safety.

UGI is committed to:

- Creating value in a sustainable manner, balancing near-term results with the long-term vision that achieves a better future for employees, customers, shareholders and other stakeholders.
- Reporting transparently on environmental risks, performance, and progress toward our goals.
- Focusing on the safety of our employees and the communities we serve by investing in technology and training to support safety throughout our operations.
- Focusing on efficient operations throughout our supply chain and efficient use of our products by customers, including the use of alternative energy sources where appropriate.
- Providing affordable energy solutions to meet our customers’ needs at a reasonable cost.
- Acting as a good corporate citizen and contributing to the communities we serve. UGI values long-standing relationships with organizations that enrich the lives of our local communities.
